Painters in Advance of Public's Violinist Revives Composition in C Major at Recital in Carnegie Hall.

Fritz Kreisler, the distinguished viopublic view a collection of new works. linist, gave a recital yesterday aftermost of which are small paintings and noon in Carnegie Hall. According to all of which are by artists who may be the now established custom, his audisaid to be somewhat in advance of our ence was so large that several hundred nublic's present power of appreciation. persons had to be accommodated with in either words the exhibition designed by sins for the approval of the discerning few who are supposed to direct publicate.

Some of the nainters are quite new, such as W. J. Potter, W. L. Dickinson and Edward Fiske, whose canvases stand out distinctly in the collection and have such ment of color, fantany or design that subsequent pictures by these men, will be awated with interest.

There is a flower piece by Glackens that has some of the best painting in it hat he has shown lately. The bouquet asserted the artist for this study was made up of red flowers, flowers with inflicult suble reds that have, however, seen must delicately painted. Prendersel, the program of the etchings of Marriss Bauer lead nierest to an exhibition of prints in the Kraushard Calleries. The rough heave work of Branwyn is contrasted in the same show withness ones attention. Hauer, for one thing, certainly has found ones lovely subjects. His long series selecting life strange procession as might have issued from those foriental gates in Bible times. It is neartfully drawn and designed, but the plate is the same than the same of the contrast of the chance tearist, this "Bast" of Bauer's, but the East that is seen in rare intervals by might have issued from those oriental gates in Bible times. It is neartfully drawn and designed, but the plate is unnecessarily large. Bauer is still or the same show the gallery of James F. Drake, Inc. Among these are fourteen drawings and other bias to those of the protests, to submit to their shares. Fortunately there are many brilliant smaller etchings by Bauer over which there is no chance for dispute.

A number of original drawings and witer colors by well known artists are no view in the galler colors by well known artists are not view in the galler with the strange by John Leach, La Raving have been desired that the famous drawings and other bias to those of the same of the plate of the same o seats on the stage. The programme aims for the approval of the discerning was composed of comparatively short numbers, and contained nothing which

To Open Here January 17-Nijinsky Working His Way to Frontier.

ber was Tannhaeuser's narrative. The orchestra played the overture to "Rienzi" and "The Flying Dutchman," the prelude from "Die Meistersinger" and the "Ride of the Valkyries."

Special announcement was made last night that Mine. Matzenauer will sing the role of Azucena to-night in "Il Trovatore" instead of Mme. Ober, who is indisposed.

Nijinsky, who has not been in a concentration camp, but at his wife's country seat in Poland, is known to-day to be on his way to the Austro-Swiss frontier, and it is practically certain that he will arrive in Paris in a few days. Mr. Russell refused to say more about him on the ground that the most dangerous moment would come when the dancer reaches the frontier.

Nijinsky, who has not been in a concentration camp, but at his wife's country seat in Poland, is known to-day to be on his way to the Austro-Swiss frontier, and it is practically certain that he will celebrate its 100th performance. License Commissioner Beil has ordered that the film "Virtue," which is to be morning that the film "Virtue," which is to be morning that the film "Virtue," which is to be morning that the film "Virtue," which is to be morning that the film "Virtue," which is to be morning that the film "Virtue," which is to be morning that the film "Virtue," which is to be shown at Daly's Theatre, and to-morrow aftermoon there will arrive in Paris in a few days.
